

## Carnebello with Venison

### Wet Food

#### Complete feed for adult dogs

Our Eggersmann Carnebello with Venison is a high-quality wet dog food for canine connoisseurs. The high amount of premium-quality venison meat gives it a firm, meaty texture. It is packed with nutrients as well as being low in fat. The juicy muscle meat, combined with salmon oil and valuable omega-3 fatty acids provides your dog with all the nutrients it needs. Because of the particularly gentle cooking process, all the important vitamins, trace elements and minerals are retained in this complete dog food. As it is completely free from grains, sugar and artificial colours and flavours, our wet dog food provides your dog with both a tasty and nutritious meal. Our Eggersmann Carnebello with Venison is suitable as a complete feed for adult dogs but can also be mixed with dry feed if preferred.

#### Recommended feeding:
