Carnebello Chews Lamb Scalp

Dog Snacks

Feed material for dogs

Eggersmann Carnebello Lamb Scalp is a natural and highly digestible chewing snack. As the scalp of Lamb is less thick and much softer than Beef scalp, Carnebello Lamb Scalp is a good choice for smaller and senior dogs. While offering this chewing pleasure, the crunchy snack naturally cleans your dogs teeth and strengthens the chewing muscles. Our Carnebello Lamb Scalp is a completely natural product without any additives and offers best compatability to sensitive or allergic dogs. Due to the gentle air drying process this chew is rich in high available protein and minerals - so it guarantees a tasty and valuable chewing pleasure in addition to your dogs´ daily meal.

Recommended feeding:

Feeding recommendation:

Our Carnebello Lamb Scalp is no complete feed for daily use, but you can offer it several times per week to support the dental hygiene of your dog.
Please don´t forget to offer enough fresh drinking water and even if lamb scalps are generally considered safe, never feed without supervision, to ensure your dog doesn´t swallow the whole last bit and choke.

As we are offering a completely natural product, the chews can look very different in colour, form or size.

Composition: 100 % Lamb scalp

Metabolizable energy (MJ ME): 20 MJ ME/kg

Analytical constituents and levels: 78,8 % neapdoroti baltymai, 8,0 % neapdoroti riebalai, 4,0 % neapdoroti mineralai, 7,0 % Moisture
